

ESSAY "MUSCLE" BUILDER'S GUIDE

4 Easy Moves to Hard Muscle!

BEEF UP!

GOOD ANALYSIS

- Provide clear & precise, in-depth explanation.
- Use relevant diagrams as the centre-piece of your analysis where possible

GOOD ILLUSTRATION

- Choose the most suitable form eg graphs, tables, good examples to illustrate complex concepts & technical ideas

GOOD APPLICATION

- Apply to the context (if any).
- Many essays are based on the S'pore Economy.
- Build-up a basic collection of 'handy' facts & statistics on the S'pore Economy for easy reference

GOOD EVALUATION

Evaluate means 2 things:

- Look at 'flip side' -Yes... However...

Example:

- There will be a multiplier effect if the government increases spending. **However**, multiplier may not work if the economy is already at full employment.
- Make a clear stand
- Provide a strong & substantiated conclusion, based on earlier explanations/arguments.
